EXPLORE EXCEPTIONAL WINES BY THE GLASS

Our Coravin system allows you to enjoy premium wines without committing to the whole bottle. Using innovative technology, Coravin accesses the wine through the cork without removing it, preserving the remaining wine for weeks, months, or even years.

This means you can savour rare, aged, or iconic wines by the glass—each poured with perfect integrity, just as the winemaker intended.

Whether you're exploring a new region, revisiting a favourite vintage, or pairing different wines with each course, our Coravin selection opens up a world of choice and discovery.
